

House Rules “Rebirth Residence” campsite:

The Rebirth Events and Rebirth Festival foundations value nature and the environment. Help us and make sure that the campsite is left clean and free of waste. Your support helps! Keep the sanitary facilities (showers and toilets) clean. Dispose of waste in the containers.

The following rules apply throughout the campsite and must be strictly observed. Failing to comply with the rules may lead to eviction, whether or not in combination with a report to the police.

- 1. Camping is only allowed on the official ‘Rebirth Residence’ campsite at the indicated locations.*

- 3. You may not leave the campsite between 22:00 - 08:00. Leaving the campsite outside of these times is only allowed with your camping gear, which means that your wristband will be cut off and you will not be able to return to the campsite or festival site.*
